SKILLS

Computer Science major hoping to pursue a path that involves UI/UX Design. I believe my fast learning abilities, passion for doing what I love, and ability to work well with others makes me a powerful member of society.

WORK EXPERIENCE

MSU Student Housing, Bozeman MT - *Desk Clerk*

September 2021 - Present

- Work the front desks at Langford Hall and Hyalite Hall each week
- Normal shift tasks include issuing/logging mail, spare keys, and keeping in touch with RA's/Senior Staff if any issues arise

Westpark Village, Billings MT - *Waitstaff/Cashier/Dishwasher*

July 2019 - August 2021

- Worked a variety of different positions from shift to shift
- Shift tasks often varied, but could range from serving residents meals, to helping prepare food, or even washing dishes

EDUCATION

Montana State University, Bozeman MT - *Degree in Progress*

August 2021 - Present

Currently a student and pursuing a degree in Computer Science for a Bachelor of Arts. Expected to graduate in spring of 2025 if all goes to plan.

Billings Senior High School, Billings MT - *High School Diploma*

August 2017 - May 2021

Attended all throughout high school, and was involved in the Senior High Drum Corps, National Honor Society, and Tech Club.
