

FACULTY LED STUDY ABROAD

Austria

Computer Science

Python!

Study one of the world's most widely-used programming languages while living in beautiful Vienna.

COURSE INFORMATION

3 CREDIT MSU COURSE

Summer 2017

CSCI 491, Special Topics: Python

PROGRAM OVERVIEW

DATES ABROAD: May 10- June 17

PROGRAM COST: \$2,990 + 3 Credits MSU Summer Tuition

FACULTY LEADER: Dr. John Paxton

This course can be used to fulfill requirements needed by Computer Science Majors and Minors, as well as by students who are undertaking the College of Engineering's International Engineering Certificate.

This course takes place at TU Wien (Technical University Vienna), a top university in Vienna. The program includes numerous group academic and cultural activities that will acquaint you with Vienna and Austria.

In Vienna, visit the imperial residences, experience Viennese coffeehouses, attend a performance at one of the world's leading opera houses, and much more.

During the final week, visit the fun university town of Graz and the city of Salzburg, known by many for its role in The Sound of Music.

Beautiful scenery, intriguing history, high culture, relevant coursework and fun.
